*Were you in the 2022 Nutcracker production? If so, please list your roles. _____

Very important- Our Saturday rehearsal schedule is not yet set. Not everyone will rehearse every Saturday, but we will have rehearsals from September 13-November 23. As we have a limited amount of time to prepare for this show, students must not miss rehearsals. Please list any known conflicts with these Saturdays, as far as date or time:

*If your child is appearing in both Jingle All the Way AND The Nutcracker, would you prefer that they perform both shows the same day, or have no more than one show in a day? Or either?

Ballet 6 and 7 only

You may choose ONE role that you do not want to be given. You may not choose Snow or Flower scenes. If you list more than one role, I will probably give you one of them. ONE blackout only. :)

Student Name: _____

Our performance schedule will be as follows:

December 5, 7:00pm
December 6, 7:00pm
December 7, 10:00am
December 7, 2:00pm

Students under 5 will be placed in ONE of these shows, chosen by the director. The rest of the roles are double cast. That means some students will do two shows, other students will do all four shows, but possibly have different roles on different days. Whether someone is in 2 or 4 shows depends on many different factors. Please check the statements that apply to you.

My child is under 5 and I understand he / she will be in one show.

I would prefer my child to appear in one cast (two shows)

I am okay with my child appearing in all four shows.

My child cannot appear in the circled show:

December 5, 7:00pm
December 6, 7:00pm
December 7, 10:00am
December 7, 2:00pm
